Each lesson in our curriculum is thoughtfully developed to provide a comprehensive and engaging learning experience. Every lesson includes:

- **Video Component:** An FCA-produced video to introduce the topic and capture students' interest.
- **Lesson Worksheet:** Interactive worksheets designed to reinforce key concepts and facilitate hands-on learning.
- **Teacher Guide:** Detailed guides for educators, complete with step-by-step instructions, discussion prompts, and additional resources to ensure effective lesson delivery.

Our lessons are strategically delivered to align with FCA program events and prepare students for optimal experiences. By synchronizing lesson content with upcoming FCA events, we ensure that students are well-prepared and can make meaningful connections between their learning and real-world applications.
